2 Year Labor Warranty

FREE

Advanced Heating & Cooling will provide a FREE 2 Year Labor Warranty on all New Systems and Change-Out System Installations. Labor includes all labor related only to equipment and accessories installed. Field Work is not included in initial installation - it is not covered under the Warranty. This Labor Warranty begins on the date of installation and ends 2 Years after the date of installation. Manufacturers Warranties for Parts & Equipment last up to 10 Years from date of installation. Offer good only April 2009 through August 2009.
